Masonic Social Friday

Brothers of Strathmore Masonic Lodge, with their wives and friends and a number of visiting brethren, to the number of almost two hundred, spent a pleasant evening in the Memorial Hall.

The evening opened with a two reel comedy, kindly exhibited by Mr. M. S. Hirtle. Following this a fine banquet was held in the dining room of the hall. Owing to the large number present, there had to be a second sitting, and the toast list was therefore curtailed, the only toasts honoured being those of "King and Country," proposed by the Worshipful Master, Bro. L. B. O. Lomell, and "The Ladies" proposed by Wor. Bro. H. Wood, and responded to by Wor. Bro. L. U. to.

Following the banquet dancing was carried on till an early hour in the morning, to music supplied by Mrs. Trainor and her famous orchestra.

Carseland

The attendance at the U.P.A. District Convention at Glenora was very good, but the representation from Carseland was small on account of business in Calgary taking several who would have otherwise attended.

The rains of the last few days have put a stop to the ploughing in several fields, but the rains are showing wonderful growth.

A number of people joined the church last Sunday. The service closes a three-year period of work of Mr. Lonsdale among us, and during that time the church membership has been increased nearly two hundred per cent. An achievement worthy of the efforts of any man.

A number from here were in Calgary before the rain, and had to come home by train or stay until the roads got in shape for travel.

The Trail Ranger boys presented Mr. Lonsdale with a very fine book rest in memory of the happy times they have spent together.

Mrs. Frank Nash has the very great pleasure of a visit from her mother, who lives in B. C.

This is the last week of school before the examinations, and the school children are putting in their best ticks reviewing, hoping to be successful in passing to the next grade.

Many anxious hours will be spent this week by those writing examinations.

Mr. Berquist is busy getting everything ready to start on their auto trip through the mountains.

We thought a hail storm had swept wiped Baintree off the map, but we are glad to know one man is left anyway, although we hear nothing of any one else.

The regular service at the river last Sunday, U.P.A. Sunday, was well attended, and Mr. Lonsdale delivered a masterly address on brotherhood. This annual event, a joint service, becoming more and more popular as the years go by.

The new harness and shoe repair shop recently opened in town should be a great convenience to people of the community.

Pert Duffer reports that the well driller got a splendid show of water on his place at a depth of 170 feet.

The teaching staff of the Carseland school has been asked to come back next year.

The wheat pool local had a meeting last week to decide upon a candidate to be sent to the annual convention.

A meeting will be held next Saturday, June 27th, in the afternoon, for the purpose of going further into the pool business. Speakers will be present, and all those interested in any way in the new pool, the campaign for which is on at the present time will do well to attend.

Last Saturday afternoon will stand out as one of the bright spots in the lives of many in our community. A farewell party and picnic supper was given to Mr. and Mrs. Lonsdale. After supper the guests of honor were presented with several gifts, as tokens of friendship. The C.O.I.T. girls presentation to Mrs. Lonsdale was a pair of beautiful candle sticks and candles. The Carseland Dramatic Society contributed a very fine brass bowl and

The Junior U.P.A. assembled once

again last Saturday, June 20, with some forty young people and seniors present, and celebrated their third anniversary with all the pomp and splendour due the occasion. The meeting opened with the singing of "O Canada," and the rest of the program consisted of readings, community singing, and the reports of the convention given by Gladys Coomer and Charles Hornstra. The evening was closed with several group games.

Quite a number of the Dalemeads people took in the U.P.A. Sunday service at the Carseland bridge, conducted by Rev. Lonsdale. It is regretted here, that he will leave so soon for his new field at Banff. Let us hope, however, that his successor will be as good an interpreter of the Word as he was.

pair of monogrammed sticks to match. The Carseland community made up a purse of nearly ninety dollars, thus showing the very high esteem in which Mr. and Mrs. Lonsdale were held. They will leave for their new place at Banff the last of the week. The community feel the loss very keenly, but they will have the well-wishes of everybody.

Mr. Powell, from Calgary, will take charge of the services next Sunday. Those who have heard Mr. Powell surely want to attend, and those who have not will do well to make a special effort to hear him.

Strathmore seemed to be close to the centre of the electrical disturbance on Sunday evening. A tree was struck in front of Dr. Moore's office, and the telephone and lighting arrester at the Mackenzie house on Fourth Street was put out of commission by a flash.

Mr. Sid Williams, who was in charge of the arrangements for the public at the C.P.R. Exhibit at Wembley last year, was in Strathmore on Thursday. He is now engaged on valuation for the Company.

Calgary Jubilee Celebration

Calgary's mammoth Jubilee celebration held in conjunction with the Calgary Exhibition and Stampede, July 8th to 11th, will no doubt bring to the largest number of people ever at one place in Alberta. The Calgary Exhibition and Stampede held the past two years were very marked successes but any one familiar with the preparations already made for this year's combined event is convinced that it will be even a greater success.

From the great Historical Pageant and Stampede Parade, which will take place at ten o'clock the morning of July 6th to the Grand Barbecue on Saturday night, the week will be full of thrills, and will tell the story of fifty years of development.

Sever in the history of the Calgary Exhibition has such a large number of special features been arranged for. In fact, it is almost an impossible task to get time for them all in one place. Some conception of how much larger all the events will be this year than last year can be gathered from the fact that last year there were over 100,000 people in the city for the week. Following are a few special features for the week: Historical Pageant and Stampede Parade, the West's best Live Stock and Industrial Exhibits, Old Time Calgary, the best live stock on the Exhibition Grounds, North West Mounted Police Veterans' Re-Union, Local Canadian Mounted Police Musical Band, Horse Races, Auto Races, Canadian Championship Stampede Events, The World's Longest Team from Glendon, Extraordinary Vaudeville Programme, Band and Circus, Midway Shows, Morning Streets Display, Indian Village, Hudson's Bay Trading Post, Lee Cabin for Pioneer Branch Headquarters, Cowboy's and Old Times' Ball, Hot Gibson, the cowboy movie star, and company of artists from California, will participate and take motion pictures; it will be a week chock full of recreation and inspiration, closing with a Mammoth Barbecue Saturday night.

Cheadle

Mr. and Mrs. Wm. Robertson, of Nanton, and Mr. and Mrs. Frank Shaw, of Calgary, Mr. and Mrs. C. S. Orr, of Calgary, were week end visitors at U. G. Craig.

School Column

Harwood School has been closed since a week ago last Tuesday, owing to the sickness of the teacher, Mr. MacDonald, who has undergone an operation on his throat. Mr. MacDonald expected to be back at work again on Monday, so as to make all possible preparation for the final exams.

The postponed meeting of the Bow Valley Local of the Alberta Teachers' Alliance will be held on Wednesday, June 24, in Carleton Place. As this is the last meeting of the year, it is hoped that all the teachers of the district will be present.

We regret to announce the resignation from the staff of Mrs. Odey. She has been primary teacher in Strathmore for several years, and her place will be hard to fill. The very best wishes of children, staff, and parents, are hers.

In the list of donations to the School Fair, "Ingram" should read "Ingram's Shoe Store, Calgary." Mr. Ingram gave a special price last year also, and we are sorry the name was incorrectly printed. The School Fair Committee appreciates Mr. Ingram's interest.

THE EXAMINATION ROOM
Here are collected the brightest heads To write what they should know. Some say that Cleopatra's Greek; Some say she belongs to Rome.
In science they scratch their heads, And write that the sun is dead; Others, who ought to have some brains Say that water split on Mars makes rain.
In algebra, with its x's and y's, They try to frown and glare;

And say that x three y is nil, Which makes the poor examiner swear.

In comp., where they're all in good They have to analyze. Some put the "theys" is a verb, And some put that they're wise. In lit., they have to show their stuff; Because they know they cannot bluff. The examiner, who, with pen and ink

Mark words worth for, if right.

As for all their subjects They have the highest hopes That they will pass with honors With all their losing grope.

News of the Pools

The drive for membership of the dairy, livestock, and poultry pools is now well under way throughout the province. In spite of the fact that heavy rains have made the roads in some districts almost impassable, and have thus interfered with the meetings and canvases, the drive is making steady progress. The first two weeks have been taken up largely with the holding of meetings at many points and following these active canvassing is being undertaken. Contracts for all pools have begun to arrive at the central offices in Edmonton, considerably augmenting the number of contracts signed up prior to the commencement of the drive.

One of the most active workers in the drive is Mrs. Warr, of Waskatoon who has been touring the St. Paul district. Mrs. Warr walked into the central office Friday with some 50 contracts as a result of her series of meetings. Eighteen of these were for the dairy pool, 21 for livestock, 12 for poultry, and 7 for the sheep pool. This is typical of the success some of the canvassers are having, but Mrs. Warr's success is particularly notable in that the territory she covered is peopled partly by foreigners, who nevertheless, appeared to be quite ready to join the pools.

The big feature in the pool organization of the past week has been the visit to the province of three active co-operative marketing experts. Chief of these was Walton H. Petet, general secretary of the national council of co-operative marketing associations in the United States. Mr. Petet won instant favor at all of his meetings with the farmers and business men because of the apparent extent of his practical knowledge of all phases of co-operative marketing, and because of the very practical advice he was able to give.

CO-OPERATIVES WILL JOIN POOL

At the annual meeting of the Kooma, Iricana, and Belcher Co-operative Live Stock Shipping Association, held in Iricana last Wednesday the result of the year's work was submitted as follows:

Cattle, 14 cars, 368 head; number of pounds, 366,580; total expense, \$1,428.50; average expense per 100 pounds, 39 cents; gross returns, \$21,653.10.
Hogs shipped, 23 cars, 2055 head, no grading select, 41 head; number of pounds, 400,220; total expense, \$1,358.42; average per 100 pounds, 34 cents; gross returns, \$32,955.99.

Total net returns to the farmer \$51,797.37.
Total commission paid shipper, but included in the shipping expense, \$719.57.

Rosebud News

Mr. and Mrs. W. Payne spent Sunday with Mr. and Mrs. F. Archer.

Miss Mae Longbohm spent the week end with Miss Nellie Gross.

Miss Agnes Cleary is visiting her parents, Mr. and Mrs. Cleary.

The boys are giving another dance this coming Friday night, June 26th, in the Hyman hall.

Lon Maier has a new Chevrolet Coupe.

Mr. and Mrs. A. Storey were at the Crescent Star Ranch last week for a couple of days.

Rather a bad mix up with sixteen horses at the Crescent Star Ranch last Wednesday caused one saddle horse to fall and break its front legs, and had to be shot, and another draft horse was badly injured. Fortunately no men were hurt.

Again death has come in our midst when Mr. Herbert Egan was kicked in the side by a horse, on June 16th, and died within a few hours. He had worked in this vicinity for several years, but, sad to say, his past was unknown as to relatives and age. Not being able to locate his friends, he was placed in the Rosebud cemetery by strangers. He had a number of friends in our district, and all regret his sad fate.

The community mourns for the loss of our friend and neighbor, G. Gross, who, after a short illness with pneumonia, was called to leave us on June 17th. He had been removed to the Drumheller Hospital the Saturday night previous, and all that science and loving hands could do was done, but naught could stay the end. Besides his many friends he leaves a widow and four young children, five brothers, and two sisters. Interment was made in the Rosebud Cemetery after services were held in the church, and the largest procession ever seen in our vicinity, wended its way to the silent tomb.

TOURIST ROUTE NOW OPEN

The Banff-Windermere Highway across the Rockies was opened for traffic May 31, and already there has been considerable traffic over the road.

The members present expressed their entire satisfaction as to the year's business, and that all members would be asked to sign the provincial pool contracts and affiliate with the pool when they go into operation. They also had a large load of hogs the following day after the meeting with shrinkage under three per cent, and the expense at 25 cents per one hundred pounds.
